Panchayat- Kamalapuram- Hospet taluk- construction of a rice and flour mill in- resolution granting a license for- illegal- cancellation- recommended to Government.

One Gududur Sitaramappa of Hospet applied to the President, Kamalapuram Panchayat Board, on 18-7-31 for the grant of a license for erecting and running a rice and flour mill in Kamalapuram Town. He began constructing the rice hulling and flour mill before the license was granted. The local Health Inspector on noticing the construction wrote to the President of the Panchayat on 4-9-31 stating

p13 infra

"(i) that the site selected in the centre of the village for the erection of a rice and flour mill was not suitable from a sanitary point of view and a mill on that site would injuriously affect the health of the people in the neighbourhood and (ii) that in accordance with G.O.No. 239 P.H., dated 8-2-27 the President should obtain the opinion of the District Health Officer as to the suitability of the site etc, and he requested the President to issue notice to the owner to stop further construction. In spite of the objections raised by the Health Inspector the Panchayat Board in its resolution No. 8 dated 9-9-31 passed a resolution to grant a license to the applicant. The next day, the President of the Panchayat addressed the District Health Officer on the subject and applied for his opinion. The District Health Officer informed the President on 12-9-31, that the location

H

p15 infra

p16 infra

of the rice and flour mill in the heart of the town would be injurious to t health of the public and dangerous to the dwelling houses in the locality. But the President has not taken any steps to get the license cancelled. The District Health Officer has therefore recommended the suspension of the license under sub section 3 to section 38 of the Local Boards Act, 1920, as amended.

2. The President of the Panchayat Board was called upon to show cause why the license should not be suspended, and also to send the connected records on the subject. The file of records submitted by him is herewith enclosed. He explains that the Panchayat overruled the objection of the Health Inspector for the reason that (a) the site was not adjacent to any dwelling houses as it is surrounded by road, lane and open site and (b) the location of the mill was not considered objectionable by the ryots in the neighbourhood. He has also not consulted the Inspector of Factories on the subject and says that G.O. c. 1524 R.I., dated 21-8-31 was received by the Panchayat on 14-10-31 after the issue of the license. but he should have been aware of the provisions of sub-clause (4) of Sec 194

3. I am of opinion that the mill ought not to be allowed in the locality in question. Further the grant of a license before consulting the Health Officer is illegal under clause (b) to sub section (4) of section 194 of the Local Boards Act, 1920, as amended. Clause (a) of sub section 4 to section 194 of the Local Boards Act, 1920, makes it mandatory on the part of the Panchayat to obtain the approval of the Inspector of Factories before granting a license. This is an other illegality. In the circumstances I am issuing orders suspending the license and I request that Government will be pleased to cancel the resolution of the Panchayat Board referred to in para 1 above.

For Collector.

Kamalapuram (H)

Sir,

In accordance with G.O. No 2390 dt. 28-2-27 you are requested to obtain the opinion of the District Health officer Bellary as to the suitability of the site on which the factory or mill is proposed to be erected and as to whether the location of the factory or mill in that site will not affect the safety or health of the neighbourhood.

One Gudeltem Seetha Ramappa has constructed a rice mill in your union. I have inspected the site and it is not suitable from the sanitary point of view. It is situated in the centre of the village and hence it will affect the health of the neighbouring people.

On receipt of orders from the District Health officer Bellary, I request you to kindly issue notice to the owner not to proceed with the work.

O R D E R.

The Union Board, Kamalapuram, in its Resolution No. 8 dated 9-9-31 granted a license to Gududur Sitaramappa of Hospet to erect and run a rice and flour mill in Kamalapuram Town without obtaining the opinion of the District Health Officer,Bellary, or the approval of the Inspector of Factories, Bellary as required by law and statutory rule. The mill is in the heart of the Town. Its location there will, in the Collector's opinion, be injurious to the health of the public and dangerous to the dwelling houses in the locality. In the circumstances and in view of the fact that the resolution will be illegal and invalid, the Collector hereby directs that the license be suspended under sub section 3 to section 38 of the Madras Local Boards Act, 1920, pending the orders of Government canceling it.
